Pros and Cons of using the Public Shuttle

Pro:

- it's free
- you don't have to worry about parking

Con:

- The last shuttle runs before sunset, so you may be stranded if you stay out too late.
- sometimes the shuttle parking lot fills up
- you're dependent on the shuttle Schedule

Alternative Private Shuttles

- I recommend private shuttles when you plan to stay out past sunset, and when you don't feel like dealing with the public shuttle
